

# CURRICULUM VITAE

**Name :** KOUBAA  
**First Name:** Mohamed  
**Address :** Romana 1 B 19 App 2-3 Ibn khaldoun 1 CP 2062 Tunis - TUNISIA  
**Tel:** +216. 98. 250. 800  
**Mail :** Koubaa@labri.fr

## CURRENT ACTIVITES

**PhD Student :** *Engineering of the Computer Systems*  
*Teams of research :*

- *REsearch Group on Intelligent Machines (REGIM)*  
*National School of Engineering of Sfax, Tunisia*
- *Laboratory from Bordeaux of Research in DataProcessing (LaBRI)*  
*University of Bordeaux 1, France*

*Subject :*

- *Robust video watermarking based on the notion of interest region.*

*Date of first inscription:*

- *October 2004*

**Assistant :** *Superior Institute of Electronics and Telecommunication of Sfax, Tunisia,*  
*Department of Telecommunication*

## DIPLÔMES

- *Diploma of Master :*
  - *Perception and Treatment of Information (PTI),*  
*University of Rouen, France, July 2004.*
- *Diploma of computing engineering:*
  - *National School of Engineering of Sfax (ENIS)*  
*University of Sfax, Tunisia, June 2003.*
- *National contests of entry to the schools of engineers*
  - *Preparatory Institute to the Studies of Engineers of Monastir (IPEIM), Tunisia, June 2000.*

## COMPETENCE

<b>OS</b>	<i>Linux: RedHat 9.0, Dos, Windows 9x / NT/2000/XP</i>
<b>Images processing</b>	<i>Compression, Video watermarking (mpeg1, mpeg2 et mpeg7),...</i>
<b>Network</b>	<i>TCP/IP protocol, Network Administration, Network interconnection</i>
<b>Programming</b>	<i>C/C++, Java, PHP, ASP, JSP, Servlet, SQL</i>
<b>Modeling Systems</b>	<i>Object modeling, UML</i>
<b>Modeling 3D</b>	<i>3Dstudio Max 4</i>
<b>Divers</b>	<i>Computer Hardware, advanced architectures, parallel programming, databases (relational, object), e-commerce, artificial intelligence, fuzzy logic, neural networks.</i>

## PROFESSIONAL EXPERIENCE

<b>01/02/2003 to 31/07/2004</b>	<i>Practicum of Master in the <b>University of Rouen, PSI laboratory</b>, Classification of texts for the automatic detection of theme in a system of automatic sorting of the mail all coming. Programming with C++</i>
<b>01/02/2003 to 31/07/2003</b>	<i>Practicum in Central school of Lyon, LIRIS laboratory on Video Watermarking.</i>
<b>July 2002</b>	<i>Practicum in <b>Progress Engineering</b>. Development of a web site with JAVA servlet.</i>

## PUBLICATION

- *M. Koubaa, C. Ben Amar, H. Nicolas. "Collusion-resistant video watermarking based on video mosaicing", accepted for publication in International Symposium on Multimedia ISM, California USA, December 2006*

## LANGUAGE

<b>Arab :</b>	<i>Native Arabic speaker.</i>
<b>French :</b>	<i>Good.</i>
<b>English :</b>	<i>Average.</i>
